

Vote No On Measure B

Take a closer look at the power grab

- No hidden charter changes
- No blank checks
- No cost disclosures
- No DWP looting
- No non-competitive bids
- No doubling or tripling rates
- No exclusion of community input
- No exclusion of DWP management

Yes on transparency in government. Yes on solar! The measure needs to be better vetted and postponed until costs, materials and planning are in place to accomplish the plan.
