RE: Reseda Neighborhood Council - Opposition to Measure B

Dear Mr. Stammreich:

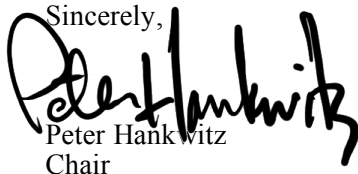

I would like to extend my thanks on behalf of the Reseda Neighborhood Council (RNC) Board for your participation during our General Meeting on February 2, 2009.

Your knowledge regarding certain aspects of Measure B and its potential impact on the City of Los Angeles was very helpful in informing our community of your committee's position on this important initiative before the City's voters on the March 3, 2009 ballot. We appreciate your willingness to attend our meeting.

As you are aware, the RNC Board heard commentary for and against this Measure, as well as questions and comments from several members of the public, and eventually passed the following Motion: **"The Reseda Neighborhood Council opposes Measure B, due to the failure of the City Council to inform the Neighborhood Councils in a timely manner, according to the Charter of the City of Los Angeles."**

Should you or any of your colleagues have any further information regarding this matter, please do not hesitate to contact me at your convenience.

Sincerely,

Peter Hankwitz
Chair
